Other Key Results for March 2007 survey

- 40% of firms say that they get more “bang for the buck” by investing in labor intensive projects, and another 40% say by investing in capital spending projects.
 - Suggests balanced growth in capital spending and labor, with neither dominating
- New SEC disclosure rules will cause firms to reduce certain types of compensation (options, perks, payments to departing execs, personal income tax gross-ups) and increase in other types (salary, bonus, restricted stock).

Top Concerns for U.S. Businesses

- Cost of labor (wages, salary, bonus)
- Consumer demand
- Health Care Costs
- Skilled Labor Shortage
- Interest Rates
